Juvenile Problems Aired in Council

In view of the recent publicity
given Albany's "so-called juvenile de-
linquency problem" in various East
Bay newspapers, the following state-
ments have been requested to be pub-
lished in The Times to clarify a few
opinions voiced by R. G. Buckwalter
of 655 Spokane Avenue at Monday
evening's City Council meeting. Mr.
Buckwalter stated he had been mis-
quoted and misunderstood and in a
signed letter said:

"While Albany 'teen-agers are co-
operating with a sympathetic city
council and friendly police, an East
Bay daily newspaper went 'all out' in
misquoting and misunderstanding my
remarks at Monday evening's council
meeting regarding Police Sergeant
John Viarengo.

"Sergeant Viarengo's views and
ideas are identical with mine. We
all know he has given much of his
time to youth problems and improve-
ment for recreational needs.
"I am not now nor was I repre-
senting the high school student body
at the council meeting. I made no
statement about the police depart-
ment. One does not make derogatory
remarks about friends.

"Sergeant Viarengo and I both agree
one hundred per cent on the youth
problems of today and it is our sin-
cere hope that the printed version of
opinions are facts and not fiction."
Buckwalter resides at 655 Spokane
Avenue and is the father of a young
daughter attending an Albany gram-
mar school.

The Times reporter "sleuthing"
around this week still fails to find
the youth problem in this city any
different from that of other cities,
not only in this State, but all over
these United States. We have the
utmost confidence in the present
city officials, heads of city depart-
ments and heads of various club and
civic organizations. In turn these
authorities must have confidence in
Albany's youth or the voting citizens
of this city would not have placed
those people in positions of carrying
on "for the good and welfare of Al-
bany."

LOCAL GIRL, WAC, IS HONORED

Private Edna J. Townsend, mem-
ber of the first Air Corps and sta-
tioned at Florence, South Carolina,

son of Pvt. Edna J. Townsend."

Mr. and Mrs. Herbert F. Town-
send, 816 Pomona Avenue, enlist-
ed in early October of 1944 and
received her preliminary training

Directors to Hold Important Meeting

The Board of management of
the Albany Y.M.C.A. held a
meeting last Monday to hear a
report from two of its members
who attended a meeting of a
special committee on the Youth
Problems. It was agreed that a
joint meeting of the board and this
special committee should be
held to consider the problem.
Arrangements for the meeting
are being completed, stated Elmer
F. Coble, executive secretary of
the 'Y'.

180 boys and girls of the high
school age are in club and groups
that meet every week at the
'Y' building. The Y.M.C.A. has
always been ready to help and
work with youngsters and will
continue to do so, said Coble.

the meeting is adjourned members

Cub Pack 3 Will
Hold Court of
Advancement Mar. 9
With Scout Week activities past
history, Cub Pack No. 3 is looking
forward to the first 1945 Court of
Advancement and graduation ex-
ercises which will be held in the
Marin School Auditorium on Fri-
day evening March 9th.

Cubmaster Crouse, Assistant
Cubmaster Tillbury, Assistant Cub-
master Weinberg and Committee-
man Easter with the help of in-
terested parents arranged a very
interesting display of handicrafts
at the recent scout exhibit at Thousand
Oaks School. Items exhibited
were for the most part made during
the weekly den meetings and re-
ceived many favorable comments
not only from the parents but
scout executives as well.

In the regular monthly Den
Mothers and Den Chiefs meeting
held at the home of Mrs. Mooney
last week all phases of den activi-
ties were reported upon. Impend-
ing advancement exercises in re-
lation to required assistance to be
given those boys who need a boost
in completing their work came in
for quite a lively discussion.

With the approach of spring the
sports program calls for numerous
baseball games. Some of these tilts
will be played against other cub
packs in the near vicinity. Also
signs of den picnics and outings
are beginning to be much in evi-
dence as the weather continues to
improve.

Albany Exceeds Quota In 'March Of Dimes' Drive

Albany chalked up an outstand-
ing record in its March of Dimes
drive, recently completed, with a
total contribution by members of
the community of 11,072.

This amount is 50 per cent above
the quota set for Albany by the
Alameda County Chapter National
Foundation for Infantile Paralysis
Inc., according to Joseph Villa, Al-
bany March of Dimes chairman.

One hundred "wishing well"
banks were distributed in conspic-
uous locations throughout the city
for this collection and the results
speak for themselves.

Villa credits the energetic sup-
port of the campaign to Police
Chief Stanley Williams, Leighton
MacGregor, Mrs. Beatrice Ray-
mond, Elmer Coble, members of
the campaign committee, and Su-
perintendent of Schools Paul Bryan,
school children and the residents
of Albany for this outstanding com-
munity achievement.

Albany schools, including the
new Codornices school, did par-
ticularly well in the drive, accord-
ing to Villa.

Cubs Receive Letter of Thanks

Cub Pack 7 held its monthly
meeting Feb. 6 in the Cornell audi-
torium. Billy Wills, John Davis
and Steve Gould were initiated in-
to the Cub Pack.

After the regular business ses-
sion Den 6 took charge of the
meeting and gave an interesting
play, "A Speaker's Dilemma."
The following boys took part:

Jerry Roberts, Norman Ains-
worth, Billy Carson, Jimmy Erick-
son, Dean Roberts and Dale
Brown.

Den 6 read the following letter
which they had received from a
Serviceman, who had received one
of the Christmas boxes Den 6 had
prepared:

New Year's Eve,
Dec. 31, 1944.

Somewhere in the Netherlands,
East Indies.

Dear Mrs. Brown and Cubs:

I received your very nice Christ-
mas package and I want to thank
you all very much. It is a fine
job you have done and I'm sure
you have made lots of servicemen
happy.

I, too was a Boy Scout when I
was younger and I think it is one
of the finest organizations in
America. We live in the finest
land in the world and I believe
the Scouts will help all you boys
appreciate and understand it more.
Just learn to love your flag and
your country and no power on
earth can ever beat us.

I hope all of you had a very
Merry Christmas and I wish each
and every one of you a happy and
victorious New Year.

It is my sincere wish that the
war will end this year and all your
brothers, sisters, uncles and dads
will be sent back to you.

I hope some day I can visit your
den and meet all of you. I would
like very much if I could consider
myself sort of an honorary mem-
ber of your pack.

Thanks again for the nice pack-
age and good luck to all of you.

Your very good friend,

Rationing Board Status Unchanged

Last minute reports from ra-
tioning Board officials is that—
"temporarily Albany will retain
its independent status until a
thorough investigation of the
problem is made."

However, that does not mean
that Albany residents may sit
back and think: "That is settled."
It is very important that resi-
dents who wish to have Albany's
Rationing Board remain in Al-
bany write to, or verbally con-
tact Robert Parks, district direc-
tor of the OPA.

Congressman John Tolman has
been busy in Washington with
the Albany problem and citizens
are urged to not relax in their ef-
forts until a permanent status is
forthcoming to this city in re-
gards to an individual rationing
board.

Pacific Greyhound Aids Recruiting

With the publication today of
their seventh large advertisement
promoting enlistments in various
branches of the armed forces, Pa-
cific Greyhound Lines undoubtedly
qualifies as a potent force in volun-
teer recruiting for Uncle Sam.
Newspapers were chosen to carry
these messages because of their
broad coverage, and each of the ad-
vertisements appearing in over 500
western newspapers reached mil-
lions of people in seven states. In
addition, many Greyhound buses
have been painted with recruiting
messages, which have been carried
in this way into the vast territory
served by Pacific Greyhound.

How and why this unusual type
of advertising was adopted was ex-
plained by F. W. Ackerman, Vice
President of Pacific Greyhound
Lines.

"After Pearl Harbor," said Mr.
Ackerman, "Greyhound's war job
became a vital one to the nation.
All of our buses were put to work
transporting military personnel,
war workers and other essential
passengers. We were handicapped
by shortages of buses, parts and

Sunday, February 25th, is Albany
waste paper pick-up day. Members
of Bayview Aerie, Fraternal Order
of Eagles and the local American
Legion Post will combine forces on
this day which according to past
records will prove to be the big-
gest paper drive in the history of
the city. Assisting in the drive
will be the members of the Albany
fire and police departments.

Co-chairmen Godfrey Hanson of
the Legion and Joe Alington of
the Eagles, today appealed to resi-
dents of the city to have their
waste paper ready for collection
no later than 9 a. m. on Sunday
morning when the city trucks and
others donated by local civic lead-
ers will start the block by block
pick-up throughout the city.

They stated that newspapers
should be bundled and tied secure-
ly in bundles of thirty to sixty
pounds. Magazines and cartoon
cardboards must be kept separate
to facilitate the pick-up. It is
most important that the newspa-
pers and magazines be bundled sepa-
rately as the two types of paper
are consigned to different proces-
sors. Cord may be obtained for
tying the bundles at the fire de-
partment.

Arrangements have been made
by Fire Chief Fred Fimental to
have a freight car spotted near the
Hill Lumber Company in order
that the paper may be loaded into
the car immediately after it is
picked up.

In view of the fact that it has
been more than five months since
paper has been picked up in Al-
bany, a record pickup is expected
and co-chairman Hansen and Al-
lington urge that every able bodied
man or boy who can spare the
time this Sunday be present at
the Fire House at Washington and
San Pablo Avenues at 8:30 a. m.
to assist in getting the paper off
the streets.

Local citizens are urged to co-
operate with the Eagles and Leg-
ion in seeing that Albany's waste
paper goes to war. When it is
realized that seventy-seven thou-
sand items used in this war are de-
livered in paper containers and that
this paper must of necessity come
from the waste piles, the two lead-
ers of the current drive are confi-
dent that this drive will surpass
all previous efforts.

Household Arts Exhibits Feature At Easter Fair

Inexpensive, easy-to-copy decorat-
ing tricks designed to brighten war-
time rooms will be featured in the
Household Arts Exhibits, major at-
traction planned for the Children's
Hospital Easter Fair in Hotel Clare-
mont March 1 to 4.

Located on the mezzanine floor of
the hotel the exhibits will open at
10 a. m. on Friday, March 2, to re-
main open to the public until the fair
closes on the afternoon of March 4.
Tickets may be purchased from Sher-
man Blakey and from Tupper and Reed
in Berkeley, as well as from all hos-
pital branch members.

On Saturday, March 3 a Variety
Show will be given for the "small fry"
and it promises to surpass last year's
entertaining performance. The show
will be given at 10:30 a. m. and
again at 1:30 p. m.

Announces Betrothal

Miss Jeanne Esperance, daughter of Mr. and Mrs. P. A. Esperance of 1024 Pomona Avenue, revealed her engagement to William H. Stockton, pharmacist mate, USN, February 15 when she passed the traditional five-pound box of candy to sorority sisters of Theta Sigma Phi. This meeting of Upsilon chapter was held at the Esperance home.

Refreshments were served following the business session and the table was decorated in the Valentine motif with small lace hearts rolled up and tied in red and white ribbons to make a scroll effect on which were printed the names of the betrothed couple.

Mr. Stockton is the son of Mrs. Nordelle Stockton of Dunsmuir and is home on leave after serving 24 months overseas.

JOHN DAGNA HOME

John Dagna, son of Mr. and Mrs. Joseph Dagna of Ramona Ave., arrived home Monday evening from Farragut, Idaho, to spend a five-day "leave" from his duties in Uncle Sam's Navy. After graduating from St. Mary's High School and business college "Junior" was associated with his father in running the popular Dagna's Market on Solano Avenue which is supervised by their efficient manager, Jim Dolan.

Young Dagna has been the incentive of a number of social affairs given in his honor this week.

Those attending this affair were Lida Brown, Barbara Boyd, Eileen Boyd, Virginia Gerling, Alice Johannecht, Evelyn McCully, Norma Noe, Mrs. James D. Ponting, and Miss Barbara Stilwell.

There's color, interest and many a chuckle in the names given to some of our Western towns. We get a kick out of them because in 1850 many of the cities of today were little more than watering places, and others were still undreamed of. SAN FRANCISCO—It's the city of St. Francis of Assisi.

'Y' NOTES

By ELMER COBLE

The executive committee of the Sr. Hi-Y clubs of the Albany Y. M. C. A. attended an officers training conference last Sunday where many clubs of the East Bay district were represented. Those attending the meeting were: Gloria Severine, president of the girls club; Margaret Sargent, vice-president; Orla Gilbert, secretary; Ann Struhm, treasurer and Mrs. A. Pollard, club counselor. Harry Kains, president of the boys club; Robert Varblow, vice-president; Carl Ward, secretary and Ray Wilson, treasurer; George Chessum club counselor lead a panel discussion.

At the regular meeting of the Girls Hi-Y Monday evening Mrs. Nora Healey of the Albany Hospital spoke on the subject of thrills in being a nurse. Gloria Severine, presided over the meeting. During the business session much time was given to the discussion of program activities for the balance of the school term. Mrs. A. Pollard counselor was present.

The Sr. Hi-Y boys enjoyed a bean feed as a part of their regular meeting Tuesday evening. Harry Kane presided over the meeting and also gave a report of the conference held Sunday.

VISITOR IN ALBANY

A guest of her son-in-law and daughter, Mr. and Mrs. Phil Smooklef, is Mrs. Anne Marmor of Richmond Hill, New York. Mrs. Marmor arrived in Albany recently and has been caring for Mrs. Smookler who has for the past month been seriously ill. However latest reports that Mrs. "Truly Yours Phil" is improving is gratifying to the many friends of hers and "Truly Yours Phil," well known Albany merchant.

Greyhound Aids

Continued From Page One materials, and personnel.

"However, Greyhound advertising still had important work to do in keeping people informed on travel conditions. We continued to use newspapers to carry these messages.

"Recognizing the urgent need of the armed forces, Greyhound volunteered to run an advertisement for the Navy to help get recruits for the Seabees. This advertisement created unusual interest in every city and town where it ran, and also produced good results in stimulating enlistments. Since then Greyhound have run six more advertisements of a similar type, featuring the Waves, the Waacs, Navy Nurses, Women Marines, Navy radio technicians and other specialized service organizations in need of personnel.

"Greyhound is happy to do its share in this way in helping the recruiting program of the armed forces, and to help bring Victory closer."

The seventh of the Greyhound recruiting advertisements to appear in the Albany Times and Hilltop Mirror is published in this issue.

NO ONE NEED WORRY ABOUT FUNERAL BILLS

Everyone should have a plan prepared for all the major eventualities of life.

There is a Plan that everyone should look into. It provides a method of setting down in advance just what funeral arrangements shall be carried out. It also provides immediate cash to cover funeral costs. This means that those who remain will not be burdened with the ordeal of arrangements at the time of sorrow, and it keeps savings and insurance funds intact.

In the interest of better service, we will be pleased to tell you how you may obtain this protection. For information

The Need Is Great for Used Appliances

WHILE you're house cleaning or rummaging
around in closets, basement or garage you
may discover some idle, usable or easily repair-
able appliances. If you are not using them why
not swap or sell them?

We have set up in our local offices a clearing
house service for appliances. Here you can list
the appliances you would like to sell or swap.
Here also other customers list their needs for
certain appliances. After this, buyer and seller
deal with one another.

Use this free listing service and do a wartime
"good deed" by helping some young or hard-
working wartime family get appliances they
desperately need but cannot buy elsewhere.
